To Penny's Husband, children, brother and sister in law, Penny was a wonderful person and co-worker. She had a wonderful sense of humor and was kind to all who knew her. Although, we haven't kept in touch through the years, she is someone I have always remembered with fondness. May all your fond memories of Penny bring you much comfort and solace and know that I truly believe she was loved by all whose lives she touched. Rest in peace my friend, Concetta M. My sincere condolences to Penny's family and all those who loved her. Penny and I had a rather unique connection I was born on July 4, 1938 and our mothers were "room-mates" in the hospital. Further coincidence, I'm also suffering the after effects of cancer treatment. May she truly rest in peace and may your happy memories bring you comfort in the trying days that come.
