I remember me and Erin went to elementary school together, and I got so mad because there was a girl with my same name. It was hilarious. I wish I could've seen her one more time before she passed. God bless her.

Dear Milstead Family: My family and I are so sorry for the loss of Erin. She inspired me to be myself and live life to the fullest in a way that God would be pleased. She was my egroup leader at Elevation and I got to attend YThx with her two years in a row. I'm so glad I got to know her. She worked so hard and tried to help everyone she could. She will be forever in my heart. I will pray that God will help her family and especially her sons who I knew she loved so very much. Lauren Davis

Dear Milstead Family: It's very hard to bear the loss of someone so dear. And although there is little that one can say or do to take away all your pain, please know that your families are in the thoughts and prayers of many. May every loving memory be like the warming rays of sun which help to begin some comfort when the pain and sorrow comes. And may you continue to assure your hearts that Erin is safe in God's memory. Malachi 3:16; Micah 4:4. May God grant you comfort and peace. With heartfelt condolences.
