I have done Phyllis's hair for years. It always made my day to see her name on my book, she was so much fun to talk to and she always made me laugh. I know she will be missed! I am so sorry for your loss! Karol Wilson

Devastated to hear the news. I just talked to her 2 days before she died. Phyllis was a wonderful friend, and I will miss her.

Phyllis was my role model as a young teenage girl watching her blonde head bob behind the pharmacy counter at Eckerd's on Independence. If she, a female, could be a pharmacist, so could I. I later worked with her at the South Blvd Eckerd's after graduation as an intern. She was a remarkable, lovable lady who taught me so very much. I am so sad to read of her passing. Please accept my sincere sympathies in your loss. She was one of a kind.
