Hi - this is a late sympathy msg - I do not know u nor do you know me - however, I am a first cousin of your Dad, Archie - live now in Augusta, GA and grew up in Six Mile SC - the home place of your grandfather and grandmother, Gene and Sular Merck Entrekin. I am so sorry about the loss of your wife - she was so attractive - I hope you've been able to get through the roughest part of the grief and are able to continue with your life. Your Mom was the most beautiful lady - all of us in Six Mile dearly loved her and always looked forward to your parents' visits. Not much else to add - I still go up to Six Mile but my Mom passed away @ 102 in 2011 - her homeplace was sold to the church next door - so not much from old times for me there now. Best to you and your family!!

Very sorry to hear of Perry's passing. Worked with her for 15 years and she always brought such a great attitude. She will be missed by all who knew her. Sorry I could not make the funeral today as I went to the wrong church.

I greatly enjoyed being in the wonderful and close 1964 class at North Mecklenburg High School with Perry. She was always an extremely kind and sweet lady with a beaming smile. I admired Perry for her great courage in the face of trials and her unfailing Christian faith. She served as a Christian model that others could emulate. My thoughts and prayers are with all of her family. They were surely blessed by her presence in their lives as we all were! Blessings! Love, Tony Argo
