No matter what the situation my father always had a positive attitude. He was my role model, he is my hero. My father was one of those men whose friends always wanted to be around him. His charismatic, positive personality was something I always wanted to emulate. His love towards my mother always warmed my heart, and the love for his children was one that I, along with my siblings, hold near and dear. Daddy, God has you in his keeping. We have you in our heart. This is not a good bye...but I'll see you soon...God took the strength of a mountain, The majesty of a tree, The warmth of a summer sun, The calm of a quiet sea, The generous soul of nature, The comforting arm of night, The wisdom of the ages, The power of the eagle's flight, The joy of a morning spring, The faith of a mustard seed, The patience of eternity, The depth of a family need, Then God combined these qualities, when there was nothing more to add, He knew His masterpiece was complete, and so, He called it DAD
