My deepest sympathies for all the family and close friends grieving over the loss of this amazing women. I was so shocked and heartbroken when I learned of the news of Nancy's passing. I had the privilege of meeting Nancy and her daughter Rachel at the North Carolina Open ballroom competition this past July. Though I did not know her very long, I loved bonding with her and her daughter at this wonderful event. I loved how she was so caring and kind to everyone around her and was so loving and supportive towards her beautiful Rachel. There is nothing more precious than the love between a mother and her daughter/children. I will always remember Nancy as the women dancing with her coach with a smile on her face and then the beautiful expression that shined across her face watching her daughter do the same. Rest In Peace beautiful Nancy. I am blessed to know you.
