Susan Hill

SEP 21, 2018

Susan Williams Hill, 54, of Charlotte died September 19, 2018, after a brief illness. Susan was born in Cornelius on May 18, 1964, to Banks and Katy Williams and was wife to Scott Hill for 34 years.

Susan was a 1982 graduate of N. Mecklenburg High School. She received a bachelor's of nursing degree from UNC-Charlotte in 1986. Susan was a dedicated oncology nurse. Susan knew at the age of 18 that she would be a nurse. She worked for Lake Norman Oncology Associates and cared for many in our community along with their families as they faced a cancer diagnosis. She possessed a tireless, beautiful energy that nurtured her patients and their families and flowed endlessly to her family and friends.

Susan was a dedicated and loving wife. Always ready for an adventure, she traveled extensively with Scott and experienced many of the wonders of our world. She was a loyal and caring daughter to her parents. Always a nurse, she cared for her family in times of sickness. Over the past year, she cared for her father and stood beside her parents as they fought and won his battle with cancer. Susan was loved by many. One could only speculate how many people have been affected by her nursing practice. She has held more hands, cried with more people and administered more life-saving therapies than we could ever imagine. She will be missed by all..., but God has gained a Guardian Angel here on earth.

In addition to her parents and husband, survivors include two sisters, Laura Williams and Karen Williams (Benjamin McPherron) and brother, Darrell Williams (Brandi); as well as numerous nieces and nephews and a large extended family of aunts, uncles and cousins.

Memorials may be made to American Cancer Society (Relay for Life), cancer.org.

The family will receive friends 2-4 PM Sunday, September 23 at James Funeral Home 10520 Arahova Drive, Huntersville. The funeral service will be held at 2 PM Monday, September 24 at

My thoughts and prayers are with the family as we continue to grieve the loss of Susan. She was a model employee here with us who loved her patients and the patients knew they were in good hands. I will always remember Susan as such a caring nurse who committed her life to helping and comforting those in need. Susan will be dearly missed. May God bless you and comfort her friends and family during this time.

Katy & Banks - Family I am so sorry for the loss of Susan - she was an Earth Angel - the good she did, the people she helped, that will live on - it never goes. She put a dent upon people's heart - that place where they can always go and remember - her kind words - her giving heart and helping hand. You had a wonderful daughter - sister - I pray for comfort and wonderful memories - that they will heal your hearts.

Susan was one of the first nurses I worked with on the Presbyterian Hospital Oncology unit when I moved here in 1986. Easy going and with tireless energy she was quite an asset to our unit, and a kind and generous soul for our patients. Our paths crossed again in Mooresville 20 years later when I went to work in radiation oncology and found out she was in the same building as I, working in medical oncology. I was happy to see her still doing the same job that she loved. God has a special place for her, and I pray He offers comfort for her family through His unending mercy, love, and compassion.

My thoughts and prayers are with all of you. Susan and I attended North Mecklenburg High together. But I truly saw how God was using her when she served as my brother-in-law's infusion nurse. He thought so much of her - she was always available, supportive and so caring. She touched so many lives in a special way. May God give you peace, strength and comfort in these difficult days.

I am deeply saddened to hear of Susan's passing. I came to know her over the last few years when I was working at Novant hospital. I frequently interacted with her patients from Lake Norman Oncology hearing them sing her praises daily. She always had a warm smile and a wave when she saw me and she made my morning! She will be missed.

I do not have adequate words to express my sorrow of Susan's passing. Each time my daughter had chemo I went with her. To see Susan work was like watching an artist paint, the patients were her canvas. She could take care of each person with such care and love. Her knowledge of everything associated with chemo was astounding and all the other nurses if they had any questions went to Susan. You will be missed. Heaven has gain a very special Angel.

Tamara McMahan posted:

My heart hurts at the news of Susan's passing. Susan was my chemo nurse back in 2013. She was the best of the best. The few times I had chemo when she wasn't there, her absence was felt. They needed 2 nurses to fill in for her. She was truly God sent in such a hard time. I am so very sorry for your loss. May God cover you with His peace that surpasses all understanding.
