Dear Mrs. Shoemaker and family:I am so sorry for your loss. My heart is broken for you. Mr. Shoemaker left an imprint on my life that will continue . From the first time we spoke on the phone, I felt a connection which over the months of my work at the HVAC office grew into a great respect and admiration. I am grateful that our lives crossed paths and that we got to enjoy "talking technical" for a while. I will remember him fondly. You will be in my prayers. I am looking forward to picking our conversations back up in Heaven.Respectfully,Reba Dunkle
