To all of Chuck's family I send my condolences . I never go past the Delaware County Fair or drive down Lincoln Ave without thinking of Chuck . He was truly a fine person who readily devoted his time to others. The Delaware County Red Cross was one of his favorite endeavors. We taught many First Aid and CPR classes and of course we manned the First Aid Station at the fair every year. There was never a lot of accolades but there was always this steady individual quietly plodding along. He was a giving person. Yes, he was always a witness to his Christian faith especially in his steady everyday life . Know that I will keep you in my thoughts and prayers
