Sylvia, Gail and Christy. My heart hurts for your loss. T.A was really a great man. No one could ever ask for a truer or more faithful friend. I was an adult and thought I knew it all but it was T.A. that taught me the next level of friendship, commitment and responsibility. I will always treasure the memories of him taking us to the cabin in the mountains, T.A. and I going on deep sea fishing trips and working for him in the office. He helped me so often and in so many ways. You are all in my prayers. There were not many men like him and the world is a sadder place for his lose. Love Luke.

To Sylvia, Gail and Christy; I am so sorry for your loss. I know you will miss T.A. forever. He was a fine man, with a gentle spirit. His healing during the 80's impressed me and a lot of others. He forged on after that issue and saw his family grow up. What an influence on your lives. To JoAnn and Libby, I know first hand what it means to lose a brother. It feels as if the fabric of your life now has a hole in it. I will keep you all in my prayers for comfort. Love to you. Au.rA.y Walters Belk.
