Our deepest and sincerest condolences to your family. I cannot express the pain it is when a loved one has crossed over. Because of your spiritual nature, I know that your Lord is comforting you and your family. I pray that the comfort that you receive will be suffice because God makes no mistakes and we know that. Condolences from our family to your family. P.S. I'm so glad that I was happy to get a good hug from him coming out of Food Lion and I will forever embrace that.

Our deepest and sincerest condolences to the family. Words alone can not ease the pain when grieving the loss of a love one. The Bible provides comfort during these difficult times. Revelation 21:3-4 states, "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away". May God give you and your family comfort in your loving memories and in His promise that soon we will never experience losing our loved ones in death and we will be able to see them again once they resurrected as per John 5:28-29. May these words give you a new hope, with deepest sympathy and warmth of heart.
