Ernest was a friend and client, Ernest was also of my uncle Ken Brugh. When Ernest was a client of mine I called and reminded him that Lucy's birthday was a week from Friday and not to forget. A few days later Lucy and Ernest came in the office and Lucy was grinning from ear to ear, She told me that Ernest gave her a birthday present on Monday. She said Ernest my birthday isn't till Friday to which Ernest replies he didn't want to forget. Then he told Lucy I had called to remind. We all got a good laugh out of that. I enjoyed your folks and the relationship that we had, May the peace of the Lord be with you all.
