To All of Lynn's family, I was so saddened to hear of Lynn's death. She fought a good fight and she won the most beautiful award anyone can win, she won Heaven! I am sure she heard Jesus say "Well done my good and faithful servant". Lynn was such a beautiful person, and even though she was my husband's cousin, I considered her mine too! She did so much for everyone and I was one of the people she always sent encouraging notes...they would come at a time when they were most needed! I remember she sent William a beautiful bouquet of flowers his last week of life at the Gordon Hospice House in Statesville. I will never forget Scott bringing those flowers!! They brightened both William's and my life that week and were such a comfort. The service for Lynn was beautiful for a beautiful lady who will certainly be missed but we know where she is! My love and condolences to all the family. I pray God will bring peace, comfort and healing to all of you in the day's ahead. Blessings and love, Kay
