## **Angela Petr**

JAN 5, 2018

**A**ngela J. Petr, Charlotte, NC, (Highland Creek,) aged 50, passed to her eternal home on January 4, 2018. She is survived by her loving family: husband, Paul, daughters, Anna (15) and twins, Abigail & Hope (12), her sister, Charity (Caleb) Sevian of Boulder, CO, her parents, Gene and Dee Dee Emmons of Longmont, CO, and a large extended family of nieces, nephews, aunts, uncles and cousins.

Angela grew up in Park Lake in Boulder and attended Douglas, Platt and Fairview schools and to this day celebrates friendship and memories from these wonderful years. Whether it be Skip-Its, horseback riding, skiing, running track or singing at Fairview, she lived fully, with remarkable energy and passion. And of course, all who knew her will remember her love of fun and her infamously contagious laughter.

She married Paul Petr in 1996. As they started and grew their family, Angela continued to share her love, energy and laughter in her work and community, including as the Executive Director of a Big Brothers/Big Sisters chapter, director of resident camps for the Y, and more recently, as a cross country coach. None of her other efforts, though, compare to the love and energy she devoted to her three lovely girls. They are blessed and will miss her extraordinary presence in their lives.

Diagnosed with Stage 4 cancer in September, 2016, she fought strongly and bravely. She and all of her family were and continue to be overwhelmed by the generous support of dear friends. They have been a testimony and tribute to her contributions to their lives.

A Celebration of Life service will be held at 2:30 pm, Tuesday, January 9, at StoneBridge Community Church, 3700 Prosperity Church Road, Charlotte, NC 28269.

Memorials may be made to any Ronald McDonald House close to where you live.

Paul, Anna, Hope & Abby, I think about you four every day and hope that Angela's amazing love that she has left in your hearts will be felt in these difficult times. We all loved her because of who she was as the core. Girls she has shown you what a strong, warm and kind person can do in the world. Take that with you. Love to all, Shelly

Dear Paul and girls, We heard about Angela just recently and were devastated. I did not know you all were hurting in the past year or I would have made contact earlier. I was thinking a lot about you all today and was reminiscing on the time that you all came over for Christmas. Santa arrived and the girls were all so excited. Angela was an amazing mom! I can imagine the feelings you are all having as we just weeks ago tragically lost my brother to a sudden heart attack. He was 46. We are all finding some kind of new normal, but our pain is immense. I'd like to say my faith is helping, but some days honestly I'm not sure. It is rock for us to anchor ourselves to when the waves come crashing. I'll pray that you find a boat that is sturdy in the coming months and that you have more calm seas than crashing waves. Be patient with one another and talk lots. It helps. Your far away old neighbors and friends - All our love and prayers, Trisha and John Kostelny

I am a friend from elementary, junior high and high school and Skip It's. Angela made any room light up by her presence. I remember in junior high the science teacher teaching static electricity with Angela. Having her touch a static generating ball and watching her hair rise as the static build up, within minutes the room was filled with laughter, not by what was going on but by Angela's laughter. I know the teacher shared the story with every section of his class because everyone knew Angela and she had that effect on people, brightening everyone's day. She had that infectious personality that I will never forget. I haven't kept in contact since high school and for that I am at a loss. But I will never forget the wonderful times we spent growing up in Boulder. I feel so blessed that I knew her. My thoughts and prayers are with her family, her parents and her sister.
