To the family of Brent Blietz, During the time Brent attended the exercise classes at Nomad Aquatics, he made many friends, including me. We would come early so that our seats would be close enough for conversation before class began. We have missed him for some time in hopes he would return. My wife Betty also knew Brent, so our hearts go out to your family and pray that you will be comforted. We plan to cherish the moments we did know Brent and hope this for you as well.
