Kandy,I will remember you every time I play golf. You were such a wonderful partner on that course and I am glad that I had the opportunity to learn to know you. I like to think that you have now met my mother and are on a golf course with an aunt that was a good golfer.My thoughts are with her family. I know what it is like to lose your mother after a fight with cancer. I will never forget the Mother's Day a few months afterward. None of my white roses had bloomed yet but the red one was overflowing - she is all right.
