To Lisa's Loving Family, My entire childhood is filled with pleasant memories of your beloved daughter, Lisa. I have been remembering so many of them since I found out she was gone. Sandy, believe me, I know there is no pain like losing your only sister. Dianne and Deryl, my heart goes out to you. I cannot begin to imagine the pain of losing a child. I am blessed to have known Lisa and your entire family on that long dirt road I call my home! I will continue to keep you all in my thoughts and prayers. She has quite a few angels who will take good care of her! Until we meet again, RIP Lisa. Love, Kelly
