I remember right after Mickie was diagnosed with the cancer I ran into Brice and he said Mickie was in the car. I went over to see her and she said which I will never forget. "Dickie please pray for me!" I don't think there has been a single night when I say my prayers that I haven't remembered to pray for Mickie. She and Brice have been dear friends and over the years Mickie has seemed like a Sister to me. I was honored to be Kelly's godfather and he, Wendy and the family have always been close to me. To the family I will miss Mickie as you will and will always remember her beautiful smile. My heartfelt sympathy is extended to Brice, Kelly, Wendy and all of the family. May God hold you in his hand in this time of your sorrow! Love, Dick Delinger

To the Jones family and friends please accept my deepest condolences for the loss of your loved one Margaret. During Jesus Christ Ministry he was told that his friend Lazarus had fallen asleep in death Jesus Christ shedded tears soon after that he brought Lazarus back to life Lazarus had been laid to rest in a tomb for 4 days John 11:11-44. This foreshadowed what Jesus Christ will do very soon no matter how long our loved one are asleep in death he will bring them back to life Acts 24:15; John 5:28, 29, right here on a brand new Paradise Earth no more sickness pain or death Life Without End Revelation 21:1-5 [jw.org](http://jw.org) .
