I remember years ago when Fred and I first went to the "World's Longest Yard Sale". Fred was reluctant to stay with my brothers and sisters along the way because it was uncomfortable for him to meet people he said. Well, they ALL became infatuated with Fred and the whole family has met, spent times with him, and developed a love for him, (Alaska, NY, PA, MD, Va, FL)!! Fred was "one of a kind", I am missing my friend! RIP
