To my best of friend. KC I'm going to miss you terribly. I know you have always been hurting in this life. I pray that you are with God and finally feel some real peace and happiness. I'm deeply saddened that I won't get to see you over come your demons and be happy and become a father, but that was not god's plan for you. He said you've suffered enough my great friend. I love you so very much KC. I hope I'll get to see you again one day soon. I miss you so very much.
