My heart aches for the family at this time. Please find comfort in John Chapter 14. You truly do not realize how much a person will be missed until they are gone. Hold fast to your loved ones while they are here and know that one day, you will be reunited with them in a much better place. God Bless the family at this time. I know Ritchie touched a lot of lives and he will be fondly remembered as well as missed. I know my life has been blessed and enriched for having known him and his family. Ritchie could entertain you for hours with his stories and his personality filled a room. I will have many fond memories of his visits at his parents home in Havelock. My heart felt sympathies go to the family members and loved ones he leaves behind. Have faith and know one day you will see him again. Peace be with you.....

My deepest sympathies to the family. I have such wonderful memories of growing up with Ritchie as a fun loving cousin. He was a wonderful story teller. As one of the younger cousins, I so enjoyed his visits and looked up to him. As families do, we all drifted into our own family lives, but I will always have wonderful memories of our youth. Keeping everyone in my prayers. God bless.
