To The Alice Faye Smedley Clark Family,I always called her Faye. We met in high school. At that time I had no idea thatI would become her sister-in-law. She was more than a sister-in-law, we became more like sisters, she always had my back and was so inspirational, She will always be in my heart and never forgotten.Sister-In-LawBetty Lou Smedley

A great and admirable friendship you two shared Betty Lou. As I stated on Sunday, you two were and have been "joined at the hip" forever and a day. She loved you dearly and never spoke a vile word against you. We all are going to miss her she was truly the best friend I ever had she was there for me through h each one of my life's battles!!A basically GOOD person, adorned with loving kindnesses.
