Katharine "Kathy" Emmalee Vowell Horn

NOV 19, 1959 - JAN 29, 2019

Katharine "Kathy" Emmalee Vowell Horn, age 59, of Davidson, formerly of Wisconsin, passed peacefully from this life into eternal life on Tuesday, January 29, 2019, at her home.

She is the daughter of Jacqueline Palmieri Bruce, (Tom) of Denton, TX and Joseph Walter Vowell, (Karen), of Springfield, VA. Kathy was a nurturer. Always generous with a radiant smile and a laugh, she devoted herself to her family and created a home full of love.

Game night with Jeff, Zach, and Sam would always end in laughter.

She loved spending time with her beloved cat, Felix.

Kathy was happiest watching her favorite cardinals and blue jays at the bird feeder, reading, and rearranging furniture. She could magically transform any room within hours.

Kathy always embraced family, friends, and strangers with genuine warmth and was adored by everyone.

She will be missed dearly and cherished forever.

In addition to her parents, Kathy is survived by her husband of more than 30 years, Jeff Horn of Davidson, NC, two sons; Zachary Horn of Brooklyn, NY, Samuel Horn of Charlotte, NC, three sisters; Susan Berg (Jeffrey) of Deerfield, IL, Julie Kelsey (Charley) of Valley View, TX, and Kimberly Leshner (Jeffrey) of Kingsland, GA; a sister-in-law, Susan Lewis of Mobile, AL, brother-in-law, John Horn (Cori) of Austin, TX and a loving family of aunts, uncles, cousins, nieces and nephews.

The family will greet friends in the Narthex of St. Mark Catholic Church, 14740 Stumptown Rd, Huntersville, NC 28078 from 2:15 until 2:45 PM, Friday, February 8, 2019.

Dear Jeff, Zach and Sam, I was so saddened to hear about Kathy. She was such a wonderful person and friend- genuine, kind and funny with that ever beautiful smile. I hold so many great memories of Kathy, living across the street on Birch Avenue. I remember how welcome and comfortable that you felt in her home, her fun creative spirit and what a great mother she was. I am truly fortunate to have been Kathy's friend. My prayers and heart go out to all of you. With love, Kathleen Spiroff and family

My heart just breaks having heard of beautiful Kathy passing. She was one of a kind. Just the thought of her when you were all living on Birch Street makes me laugh and smile. She was one of the "Birch Steet Girls" - 4 mom's and their sons and a ton of fun and silly memories. Just realizing now how very much I've missed her in my life. Such a beautiful soul. Love and peace to you Jeff, Zach and Sam. With much sadness and love ❤️

Dear Jeff, Zach and Sam, I am truly heartbroken to hear about Kathy. My first friend as a mom with a child in preschool. Sam and Marksey, we loved to hang out with our boys. Kathy, the fun mom always with something happy going on or up for anything. She elevated the mood of the day with her natural ease and beautiful smile, voice and spirit. Kathy is the personification of comfortable. Self realized, accepting, creative, funny, light, truly sincere. I am blessed to be her friend and to have so many great memories of WFB and Birch Ave. My tears, heart and prayers are with you all. With love, Martha Flaherty and family.

Dear Jeff, Zach and Sam, I just heard today that your wonderful wife and mom died. I have so many great memories of Kathy, especially her of her smile, which radiated from her face, her eyes sparkled, and she made each and every person feel special. Even in tough times, she had an attitude of giving. She blessed many lives with her "humanness" and I know you all must be grieving her loss. God Bless you all. Jim Young Whitefish Bay

I only had the privilege of meeting Kathy twice. Both times I was greeted with warmth and a beautiful smile. My daughter (Amanda) however has had the privilege of getting to know and love "momma Horn" on a deeper level and for that I am eternally grateful. The welcoming love she has gave to my daughter will always warm my heart and be cherished in her life forever.

I had the privilege to meet and spend time with Mrs. Horn during 2018 as the Chaplain at Levine Cancer Institute/Mallard Creek. What a joy it was to share in her journey especially since she was always smiling and laughing as she faced her diagnosis head on. Such a positive outlook as well as the confidence she had in her oncologist in addition to the many hours researching the latest treatments available. I always looked forward to our time together and it seemed that we could talk for hours. I will miss her. She must have been a joy to so many who knew her. Tony Hodge
