I was so sad to learn that Butch passed away. I met him in Katterbach, Germany back in the 60's when our fathers were in the military. He was always a kind and caring person. My condolences to his family.

I was raised with Butch in our little town in Cornelius riding bikes, catching light bugs etc with my Sherrill cousins and we all had a good life growing up there. I will remember Butch as a hard working man supporting and caring for his family. He and Martha always at his side during health and sickness. My continued prayers for strength and comfort to Martha, children and grandchildren through this loss.
