Fred it's been almost a year. I miss you so much. Your monthly checks on me. I miss all our great times in Broad Ripple. Thank you for keeping our secret. Chelsea is about to be married and can't believe you won't be here to walk her down the aisle. I know it was hard for you. But I appreciate your friendship and secret of 32 years. I'm lost without you. Always and forever my best friend.S

Fred I so miss you . It's been almost a year. I miss our long talks and how you kept my secret pregnancy. You were my dear friend from college and thru out our crazy years with the gang. As you know Chelsea is beautiful and about to be married. Wish you could have walked her down the isle like you always wanted. My dear friend. Always and forever my dearest friend for keeping Chelsea a secret for 32 years.

A brother couldn't have asked for a better man to take care of his sister. I used to call him Phil Collins because he looked alot like him! Thank you for being a great husband and father. I'll miss you, Joe.

I'm not just saying this, and very fortunately I actually let him know this. Fred was the most easiest going home seller client I've ever had the pleasure of working for and I'm very grateful I had the gift of getting to know him. And since I also had the pleasure of assisting with purchasing a new home, I know first hand how loyal and how much he had his priorities in the right order. Family was #1 and so are you Fred! Thank you!
