Karen was one of the most beautiful Christian ladies I have ever known. She was our adopted sister and we loved her incredibly. We are saddened she left us so young but she is not suffering now. She is with her Mom and Dad as well as our Mom and Dad. We will miss her greatly. No one like Karen Waybright...no one. Carolyn Freeman...Jan Batts' sister

Karen, How truly blessed I have been to call you my friend. Through your bond with Aunt Jan, I gained two lifelong treasures, both you and Kathryn. One of the memories I cherish is when my Grandma passed, you stayed and comforted me in a way that only you could. You are missed here on earth, however we raise our hands to heaven, knowing you are no longer suffering. All of my love Christy Freeman

Being your friend for all these years has been one of my best honors in life. I will miss you more than words can express. You have made me a better person in so many ways. You taught me the love of planting flowers in the yard, helped with all my many animals and my list could go on forever. My greatest memory will be your love for God and His word. Have a great time in heaven and I hope you find us a self cleaning duplex to live in. Love you Karen.
