Remembering the fun times we had growing up on Kendrick. We were crazy kids playing in the creek on summer afternoons and camping out in the backyard in the evenings and playing "Ghost in the Graveyard ". Riding our bikes to the 7 Eleven to play video games and neighborhood cookouts that we had. There are so many more memories, I'd be here all day listing them all. I will always hold them in my heart and never forget you "SQUISH". You will be deeply missed. Say Hi to my mom and your mom for me. I will keep your family in my prayers. Love ya!♥Lisa Carter

As I have said many times Trish was more than my friend! She owned a piece of my heart! Jesus left footprints in the sand to let us know we are never alone! She left footprints on my heart to let me know she will always be near me! Love you my sweetest friend!!!
