Lee George Orlic

AUG 8, 1943 - SEP 25, 2019

Mr. Lee George Orlic, of Stanley, passed away Wednesday, September 25, 2019 at the age of 76.

Lee was originally born in Pittsburgh, PA to Michael & Eleanore Orlic. Lee lived the last 30 years in NC, mostly around the Lake Norman area. Lee graduated from The Pennsylvania State University earning a Masters in Business Administration in 1968. He served several years in the Army Reserves after college. He started selling magazines at age 12 and always enjoyed working in sales and meeting new people. Lee spent over 20 years of his life after college selling plastic materials. In 1990, Lee founded a plastic manufacturing company in Concord, NC, Double O Plastics, Inc. He was involved in the day to day operations of the company until he died; growing the company from 2 employees to over 45. He truly lived the American Dream.

Lee enjoyed reading, golfing and dancing. In his younger years, he enjoyed playing baseball and spent a year playing on the Penn State team. He has traveled all over the United States and to several countries in Asia. He will be remembered for his outgoing personality and generosity.

Mr Orlic is survived by his wife, Jeanette Orlic, his brother, Michael Orlic, his children: Jonathan Orlic and Marlo Sklaroff and grandchildren: Zoë & Lexi.

Visitation will begin at 4:00 pm Friday, October 4 at James Funeral Home of Huntersville followed by a Memorial Service at 5:00 pm. The family will receive friends at the funeral home until 7:30 pm.

In lieu of flowers, memorial contributions may be made to CVAN, PO Box 1749, Concord, NC 28026.

“Every man’s life ends the same way. It is only the details of how he lived and how he died that distinguish one man from another.”

Lee was a leader for injection molding manufacturing. I worked with Lee for five years. His agenda was always to make a quality product, and have minimal defects. He was very candid with his goals to make injection molded products better than his competitors. I can only remember the good. He was a man, who had dreams of greatness, and knew his business to succeed. Surely, he will be missed. May God be with his family, and employees. Tony Dorton

Lee was a great person. I was fortunate to play many rounds of golf with Lee. Even in his 70s he hit the ball well and really enjoyed playing and being with his friends. He had an incredible mathematical mind. He could do math faster and more accurate than my calculator. I will miss Lee. My condolences to his family.

Jon and Marlo So sorry for your loss. One of my greatest memories with your father was every Halloween and how excited he would be giving out candy to all the kids. He loved all the decorations and talking figurines that I would bring every year. I truly think this was his favorite holiday and I will really miss him this Halloween.

Linda Gillespie Ritchey lit a candle in honor of Lee.

Lee and Jeanette have been my friends for over 25 years. We all were part of a close group of friends that got together almost every weekend until we moved to the beach many years ago. We all had some great fun times together. I am so sad to hear of Lee's passing. My prayers are lifted up to the glory of God for Jeanette and Lee's family and friends. May God wrap His loving arms around each of you with peace and comfort. Linda (Gillespie) Ritchey Myrtle Beach, SC
