Luisa Rodriguez

JAN 6, 1925 - OCT 21, 2019

Luisa Rodriguez, of Huntersville, beloved mother, grand-mother and great-grand-mother passed away peacefully in her sleep on Monday October 21, 2019.

Luisa was strong, kind and loving mother to her seven children which she raised by herself as a divorced working mother. During her lifetime, she endured and surpassed several life-threatening illnesses while still managing to keep her cheerfulness and sense of humor. Her unfaltering belief in Jehovah gave her the strength and discipline needed to overcome these obstacles. Her love for nature was evident in her 'green thumb'; where anything that she planted flourished; whether it was lemons, pumpkins, tomatoes or even palm-tree's in Puerto Rico. Her love for her grand and great-grandchildren was evident in the love they showed for her in return.

Nanny, as she is lovingly known by her grand and great-grandchildren was a true inspiration to everyone. Her kind loving and sometimes feisty ways will truly be missed by all of us. She was a great example to all.

Luisa has left us all with a great void in our hearts; Mom, we will miss you so very much and look forward to someday being with you again.

She is loved by her surviving children, Tony, Louie, Daisy, Frankie, Billy, Michael, and Lizzy.

A memorial service will be held at 2 PM Wednesday, October 23 with a reception to follow at James Funeral Home.

James Funeral Home of Huntersville is serving the family.
