RIP Mr. Harley. I remember the first day you started @ the Brentwood Pst office in DC . You walked into the time and attendance office and saw me priming and putting on lipstick. You said " I see you young lady" and we just laughed. Thank you for being a nice human being, also fair. You will be missed. My condolences to the family.

Ardine was our next door neighbor for nearly 20 years. You could not ask for a more perfect neighbor! When we were away he always kept an eye on our place like it was his own. We always enjoyed our talks in the yard with him or when he was walking Newman. Ardine exemplified class and good taste and was always impeccably dressed even to cut the grass. We will miss you Ardine and wish you Godspeed. Our love to Adele and all the family members.
