I can't say that I knew Ken very well, as I only knew him from my limited time at Tradition. He was always a friendly face & a good man to talk with. I hope that the people that have passed through my life might say the same, when my time on earth comes to an end! Gerry Osborne

"My heart has joined the Thousand, for my friend stopped running today." Hi Dad, I have always been so proud to call you my Father. You can't begin to imagine how much we all miss you. Thank you for working so hard your whole life to provide for our family. And thank you for always being there for us. I will look after everyone and protect them as I promised you that I would. You taught me well and you will always be a big part of who I am. I couldn't have asked for a better Dad. I love you, see you on the other side. Peace & Light, David

I have known Ken for about 18 years and this saddens me so much. I loved his stories about his life and business adventures. He was someone that I would ask advice and he was always willing to give it. I will miss seeing him and the Tradition will never be the same! Rest in peace my friend!- Kevin Ronan
