My Aunt Betty was a whole lotta wallop in a small container. She was gentle, loving, kind, and generous when that's what was called for, and could be an assertive spitfire when that's what was needed. I loved and admired her and felt loved by her all my life. And I hope I inherited at least a little of that special Betty King friskiness. Patti, I'm sad that I will not be able to attend the service, but will be holding you all in my heart as you honor your mama at her passing as you did throughout her life. Sending you all much love from Austin. xoxo, Cousin Vicky
