Met Danny when I was a little girl from Long Creek. He was a funny funny guy. He used to aggravate Chris and I while we dated. Paula was such a dear friend. I'm so sorry for this families loss and sending hugs and prayers to them. Being a nurse it's so difficult to watch someone go thru this, knowing he's better now is still not the comfort we desire. Always remember the great person he was and how bless everyone was that knew him.Cathy Ward Bulla
