Dear Tammy & Andy, What a blessing God gave us with the gift of knowing your Mother. We always admired that she spoke what was on her mind. She was so supportive and did so many kind things for us and others while we were at Cole! She was also an amazing leader and able to accomplish what she set out to do. We have many good memories and thank God for her life here and know she has finally made it to her true home with our great God! Our love & sympathies, the Greg Freeman family
