Thomas Stanley Tyburski

JUN 29, 1939 - MAY 16, 2020

Denver--Thomas Stanley Tyburski, of 989 Pinkney Place Stanley NC, passed away on May 16, 2020 at the age of 80.

Tom was born on June 29, 1939 in New Britain Ct. and was the only son of his loving parents Stanley and Helen Tyburski. He graduated from Berlin HS in 1957 and was a proud member of the State Champion Football team. He declined a football scholarship offer from UConn to attend Northeastern University in Boston where he graduated in 1961. After graduation, Tom served in the US Navy before beginning his career with the Dept. of Labor working with early computers as a Data Analyst for OSHA in Washington D.C.

Tom met the love of his life, Norma Jean Miles, in October of 1961 and the two were married just three months later, a marriage which lasted a remarkable 58 years.

He was a loving father to his three sons, Mark, Scott and Matthew, and to their wives, Susan, Fanny and Carri. He counted his five grandchildren, Kendahl, Lauren, Jillian, Sophia and Ben among his greatest blessings. He loved them all deeply and was very proud of each of them.

He made many friends over the years, and enjoyed fishing and golfing with his buddies in Crofton, Md; Fredericksburg, Va, the Delaware shore, and his final home in N.C.

Tom endured more than his share of health challenges and was a fighter until the very end. In the end, he recalled his many blessings with gratitude, including the special love of his dearest companion and wife, as well as the family and friends who provided him with many happy times and wonderful memories.

His wife and family are comforted to know that his suffering has been relieved and that he is reunited with the loved ones who have passed before him.

My deepest condolences to all of you. I have such fond memories of Uncle Tom. He always made me feel special. I can remember him being so proud of me - that I could "hang with the boys and play softball, even though I was a little girl". He taught me how to ride the waves in Ocean City, and I was so proud. He took me way out in the water, but I always felt safe. A small, but memorable part of my childhood. Uncle Tom made me feel important, and for that, I will always be grateful. Thinking of you and sending my love, Vicki

Mr. T always had a big smile and a warm hug whenever I saw him. He and Norma welcomed me into their home countless times with genuine warmth and affection. His love for his family was amazingly evident. He was a sweet, sincere, loving man. We were blessed to be part of your extended family. My heart aches for all of you for the tremendous loss of a great man. I can see him sharing that huge smile and bear hug with Sophia now. Sending you all my love. ❤️

I met Tom through Scott and Fanny, attending Ben and Jillian's sports events. He was indeed a family man, and loved to talk about his grandkids. Having known Scott for several years, it's evident Tom was a wonderful dad and mentor. Christ's comfort and blessing to the entire Tyburski family from the Emerts.

Tom and I attended junior high school in New Britain Ct 7th 8th then our families move on we eventually ended up at Berlin HS ,we played football, basketball together and hung out at party, dates , just wonderful times together. After we graduated from HS we with three other guy dove down to Florida for a great time. We both had offers for football at a couple colleges and tom went off to college in Massachusetts and I went in the Navy We stayed in touch, golf, HS reunions, and when he came back to Connecticut We were the best of friends forever. Last week before he went to the hospital his last words to me was I love you jl'm and I said the same to him. I now think he sensed in some way that we wouldn't be taking again it's hard to express how sad I feel and how much I will miss him Jim Newman

Tom was a good friend to me and took an interest in my grandson. They fished together until he and Norma moved to North Carolina. What a terrific mentor for a young man to have.
