A faithful, knowledgeable, tireless volunteer in the First Baptist Congregational Health Ministry. The combination of her medical expertise and her heart for Jesus served so many families, individuals through their health journeys. Practical, funny, an example of health herself (exercise, exercise!) Many times, I sought her wisdom and personal hand holding - she was always willing. A blessing to have know her and Pat...

My condolences to the family of Linda Bassl was blessed the day Linda and I meant. My niece introduced Linda to me and then we became great friends. We always had fun ,laugh, cried, prayed, played Mexican train (card game) . Linda sometimes would have some of the ladies in the neighborhood come over and we all had fun. We watched the voice and Linda liked ninja warriors show. I would cook and we would eat together. When I think of Linda I see her smiling and loving face. Linda will be missed !
