Donna, Steve, Tim, Bobby, Angela and extended Sims family.....what a wonderful Mother you had. Dixie welcomed me into her home and treated me as one of her own. The days I spent with her. Up at 8 am ,breakfast and her daily shows we would watch together Price is Right, Let's make a Deal...etc I really laughed and still think of her when I cook a pot of greenbeans, I now add a few potatoes and always think of her. I loved the year I had with her and hold fond memories.
