Jane was a beautiful lady in so many ways - inside & out! She was classy, personable, gracious, and always with a smile. Never without a great looking outfit and jewelry to match! I know how much she looked forward to her Thursday shopping and lunch days! What a blessing she was to her family and friends! So many memories of a beautiful lady! My heart breaks for the loss of your mom, grandma and great grand-mom who filled so many lives with joy and happiness. Your family is my family and our children grew up with grandparents being each others and Jane was such a part of our life. There is never enough time to say the things we want or spend the time we want with loved ones but Jane had the most amazing family who was always there for her. While her physical presence is gone, her thoughts and memories will live forever within our hearts. Know that we are always here for you if you need us during these times. We love your family dearly and are here for you. Sending Hugs, Kisses & Love, The Del Rossi Family !

I will so miss the phone calls Jane and I had! Of course, the wonderful times at Baraboo, Devils Lake, Broomall, Pennsylvania, and our visit with them in St. Louis. They were dearly loved by all who knew them, and especially the children and grandchildren. I'm sending my love to all of you as you celebrate her long and happy life. Vonnie Lambert Abele
