I just LOVED Peggy! She said whatever was on her mind and you always knew where you stood with her (lol). She had the biggest heart and will be truly missed. She messaged me several times after my mama passed away and was such an encouragement to me during that difficult season in my life. We all knew the family well and know this will be a big loss for them; however, I am thankful that Peggy, her soulmate Bill and her sweet mama are all in Heaven together. T his I know will bring peace and comfort in the years to come. We love ya'll.♥
