WE

**Wendy** shared a photo to the **Tribute Wall** album.

I met Krista in College, man she was smart! She came over to study together one night and we could not focus, we would giggle about anything and everything! When it began snowing, it was an even better distraction and before I knew it we were out building a snowman! One of my favorite memories among many. She was a smart, beautiful, compassionate, feisty, determined woman who loved her kids with every ounce in her soul. She would do anything for a friend and she always had a way of lifting someone's spirits. I can still hear her laughter and I will never forget her. She was one of my favorite people on this earth! Love you, always Krista!

It is with great sadness to hear that you have lost a loved one, especially a daughter, a mom, a sister and many, many friends. Krista was a great mother with a huge heart, she gave her all. You are all forever changed as a result of her passing, stay strong and know that she was loved beyond words can describe. God Bless you and your family. Sarah, Dan, Gennifer and Hope Miller.

Krista was a co-worker and a big part of my work family. We are all devastated and saddened by the loss of our dear friend. Gone too soon. Our work place will not be the same without her smiling face. Thoughts and prayers are with her family. Angie Jackson

So sad to hear this news. She used to be my neighbor a few years ago and we hung out several times. She always had a beautiful smile and was a wonderful mother. God bless the children and the rest of the family as they deal with this tragic loss. RIP - S Miller and family.
