Jason Lloyd Miller

DEC 7, 1976 - AUG 22, 2020

Jason Lloyd Miller, of Mt. Holly, loving son, father, and brother, passed away Saturday, August 22, 2020, as a result of a motor vehicle accident. His love of life, sense of humor, and infectious smile will be forever remembered. Jason had the ability to reach out to people when they were struggling in life and give them hope and encouragement as few others could. He loved God and welcomed the opportunity to share his faith.

Jason graduated from West Mecklenburg High School where he excelled in wrestling and soccer and was named Male Athlete of the Year. He graduated from North Carolina State University with a degree in Turfgrass Management and obtained a degree in Counseling from Liberty University. He was pursuing his Masters in Turfgrass Management from Penn State University.

He was happiest working with God's creation as Grounds Manager at Queens University through Compass Group's SSC Services for Education. He was previously employed as Superintendent at Highland Creek Golf Course and worked at numerous other golf courses in the area.

Jason is survived by the loves of his life, daughter Caitlyn and son Brentley. He is now reunited in Heaven with his daughter, Courtney and her mother, Ashley. Additional survivors include his parents, Lloyd and Barbara Miller; sister, Allison Spruill (Kevin), niece and nephew, Molly and Mason; and many aunts, uncles, and cousins. Jason's family will continue to love and care for Brentley alongside his mother, Elizabeth Salley, and her daughter, Alex.

We are so grateful for the outpouring of love and memories shared by friends to help us through these difficult times. Due to COVID-19 restrictions, a private service is planned for Saturday, August 29, 2020, at 2 pm. It may be viewed live on both the James Funeral Home and Assurance United Methodist Church Facebook pages or viewed on either one at a later time. A celebration of Jason's life will be held in the future when larger gatherings are allowed. Following the service he will be laid to rest at Northlake Memorial Gardens.

One thing I'll always remember was never knowing what was going to come out of his mouth; but it was always funny. Haven't spoken to him in 100yrs but we were classmates/friends from middle school to West Meck. He had a smile so big you couldn't see his eyes when he was laughing hard. Pure heart & soul and a constant jokester. I am so sorry for your loss. Know he will be greatly missed by all his family and friends and hope everyones prayers lift you up in this incomprehensible time of grief. I'll always remember that big smile

I'm thinking of you all and praying for you. My heart aches for you, even though I know Jason is with Jesus right now. Many of our years at Assurance UMC involve memories of your family with my daughter, Casey and me. I remember especially us going to have BBQ at Lancasters. Wishing for you that you are blessed with comfort, love and peace.

Still have not accepted you are not here. You were such a big part of our lives. It was only a month ago that you and Brentley were swimming with Jamie and Kinsley next door in my daughters pool, then to my house next door for cheese puffs and more playing. You seemed content with your life and you adored Brentley. I will never understand why God called but we promise to be there for your family in any way we can. I loved you scamp and always will. I remember we all stayed at a friends house together in our young twenty's and he and I and one other friend stayed up all night while everyone else was asleep and laughed so hard together about all kinds of things. Till we about peed ourselves! I just remember that was so much fun, laughing for hours with Miller! Everyone has this story because that's what he was about! Laughter, smiling! That's what he did, he kept a smile on our face when you were with him. It allowed you to escape from what ever was going on with you at the time. A beautiful soul he is! Recently we laughed again about the funny things our kids were doing, just a few weeks ago. Laughed about him being a Daddy again with his son, and how good it looked in him! So yeah , I'll miss that radiating smile he has ! I'll miss his face, and his laughter! As I know his family will too. I'm praying for all you to have comfort . He is so proud of his family, always !
