Andy I was so sorry to hear the sad news. I so enjoyed working with you at Pro Step. You had such a gift for brand/design and a great sense of humor. I will never forget when you wanted to adopt another Golden and we were shocked how ridiculous the animal rescue people were because you didn't have a fence! We laughed about how you pampered your dogs and lived minutes away and how ridiculous they were to not adopt to you :-). May you Rest In Peace and my condolences to your family Andy.
