David Mazurek

AUG 27, 1942 - NOV 2, 2020

David Edward Mazurek, 78, of Huntersville NC passed away after a short illness on November 2, 2020. He was born on August 27th 1942 in Buffalo NY, to the late Edward and Julia Kasprzyk Mazurek.

He is survived by his wife of 53 years, Arlene Iwanski Mazurek. Son Jason, daughter-in-law Kathy and granddaughter Logan Mazurek of Charlotte. Sister, Sylvia Mazurek Prusakowski of Phoenix, Arizona and late husband Donald Prusakowski and uncle to the late Christopher Prusakowski.

David lived in Buffalo for over 50 years owning a hair salon where he formed many great relationships. David and his wife relocated to Huntersville, North Carolina where he continued his career as a talented stylist and enjoyed life with his wife Arlene while exploring new adventures and spending time with family.

David was most happy when either playing or watching golf, passionate in his interest of automobiles (especially Corvettes and collector cars), landscaping and gardening, financial interests, and home improvements where he could design and fix almost anything. Dave was a loyal husband, father, grandfather, uncle and friend who was known for being easy going, having a great sense of humor and always enjoying life.

In addition to his immediate family, he was also close with many family members and friends including his sister-in-law Phyllis Carlo, nephew Joseph Carlo (Kim), nieces Lena Carlo Carney (Ryan), and Julie Carlo. He was also close to and kept in touch with many relatives and friends in Buffalo, the Carolinas and Florida.

At David's request there will be no service. Instead, he asked that in lieu of flowers, donations may be made to the Arthritis Foundation <https://www.arthritis.org/donate>, which David and Arlene were actively involved. Donations may also be made to the NAEMT Foundation (National Association of Emergency Medical Technicians) www.naemt.org/about-naemt/naemt-foundation/donate as Dave adamantly requested during his short illness that he wanted to recognize these heroes for the work that they are doing.

Dear Arlene,Suzanne and I were deeply saddened when we learned of Dave's passing. We share in your grief and sudden loss of such a kind, gentle, good-humored and humble person. Dave was always a pleasure to be around and we will miss our get-togethers and his company. We're sure Dave doesn't want us to grieve too long for him and we'll try to honor that by remembering how much fun he was to be around. We'll miss you, Dave, but we will see you again one day. Save us some places at the table. With our love and prayers. -Merlin and Suzanne Villar

Sean and I were so saddened to hear about Dave's passing. He was a delight to know, a real gentleman with a wonderful dry sense of humour. Sean in particular enjoyed the time he spent with Dave (and Larry DeMontegre & Larry Makin) at the Maxton Speed Trials.Sean & Beryl

Arlene, Kathy and I are so very sorry for your loss of David. You both were the first friends that we connected with in Cornelius twenty years ago. We spent many days together lounging around the pool, and many dinner parties with you both around the community. I pray that you remember all of the good times that you two had together, and that the hurt will pass quickly. We all will miss Dave's smile and laughter. Love, Dan & Kathy Butterfield

What a wonderful man that I had the honor of working with in the salon. Always professional and kind to everyone he met. He was an awesome stylist who I was a little bit jealous of his talents, but he never knew that. He would pick up the slack for everyone, and always with a smile on his face. After retirement I had the pleasure of seeing him and Arlene at Gold's gym quite regularly. He talked of his landscape work, having cocktails on the patio and enjoying friends and family. He will be truly missed.

Best guy ever ! So many memories of hair cuts in my kitchen while talking about all things under the sun . Every hair appt ended with Dave and my husband discussing their late thoughts about their golf swings, and how my living room became their putting green .

A dear, kind, funny, man who treasured his "Polishness". You are a very fortunate woman Arlene. His treasure was you, Jason, Kathy, and Logan. God bless and keep you all in the palm of his hand. Kathy and Dan Butterfield

A true gem of a man, so talented, gentle and kind and a sense of humor that made our world a better place to be in and will truly be missed by Peter and I. Dave and Arlene were a diamond studded couple and their great love for one another was always evident and shined brightly whenever they were together - a life of wonderful memories to hold close to our hearts, sweet Arlene and your dear family and friends.
