ECU introduced the Poff Family into our lives. We became family the day Sanders and Anthony became Frat Brothers and Roommates. The Cookouts at ECU were amazing gatherings. Life continued after the boy's college days to our "Parent Dinners". We loved meeting up at J Peters for dinners and socials. Loved our lake time here with the kids. Love seeing Sanders out here with Anthony. Donna and Tim have done a wonderful job raising such a great young man. Donna, Tim and Sanders became family to us. I am so sorry for the loss of Donna. Prayers out for Tim, Sanders and their family.

Words can not describe how heavy my heart feels now. My entire family just absolutely love Donna. She was one of the nicest and kindest people I've ever met and I already miss her so. When we first visited Dr. Duncan so many years ago, she was the first face I saw and she just made me feel at ease with that kind smile and her sense of humor. She's the best and our hearts and prayers go out to Sanders and his dad. He attended Hough with my daughter and Donna was always speaking of him. Rest In Peace Donna and know that God has an angel back home now.

Tim and Sanders, My heart is broken, and I just can't even grasp that this is real. I can only imagine the pain and grief you are feeling right now. Donna was such a bright light in so many lives. She was always so full of joy and ready to help, no matter the need. Donna was one of the first friends I made when we moved to NC, and she never failed to show me (and Kristen) that southern hospitality. Through all those middle school and early high school days, she was always up for being a chauffeur or chaperone, and when I had the opportunity to serve with her, it was always twice the fun!! She is so greatly loved ☐, and you know our God adores her presence as much as we did. It will be a joyful reunion when we all meet again. I pray that our Lord will give you both strength and peace in days ahead. We love you both so much, Debbie Porter

Tim, We are so brokenhearted about Donna and for you and Sanders. I am still struggling to believe this has happened. It just doesn't seem real. On the morning of her passing I was begging God to heal her and I heard God whisper to me "I am Sovereign." I acknowledged that to Him in my prayer and asked Him to help us accept His will because my heart does not want to let go. I cannot even imagine how hard this is for you and Sanders. Please know we will continue to pray for you and to remember how special and wonderful Donna was. I will miss her!
