## **Dwight Moody**

JAN 21, 1950 - DEC 29, 2020

**D**wight Charles Moody, 70, of Charlotte passed away peacefully on December 29, 2020 at his home after a long illness. He was born on January 21, 1950 in Charleston, SC to the late Elrid M. and Evelyn B. Moody.

Dwight grew up in Beaufort, SC with a great fondness for those years and his hometown, returning in his later years to buy property located on St. Helena Island that he called Serenity. Dwight was a 1968 graduate of Beaufort High School and a 1972 graduate of the University of South Carolina with a Bachelor's degree in Finance. He also was a graduate of the University of Michigan School of Public Finance and Stonier Graduate School of Banking at Rutgers University.

Dwight founded the first bank affiliated brokerage firm in 1983 and was President of Florida National Investment Services in Jacksonville, FL. Subsequently, he became President of First Union Brokerage Services in 1987. Dwight retired in 2007 as President of Wachovia Securities Investment Services in Charlotte, NC after 35 years in the financial industry. The positive impact he made and the leadership he provided throughout his successful career was felt far and wide. Dwight received numerous awards for his contributions to the securities industry, and was particularly honored to receive the Lifetime Achievement Award from the Bank Investment Securities Association.

Dwight had a passion for fishing and it occupied much of his spare time, with many tall tales told about his fishing exploits. He also enjoyed playing chess, traveling, and attending games of his favorite teams: the Gamecocks, Panthers, Hornets and Braves. Dwight was a devoted member of the St. Mark Catholic Church in Huntersville. His main passion, however, was spending time with his friends and family. Dwight was a beloved father, a loyal brother and a caring friend.

Survivors include his son Brett Moody of Charlotte; son Jason Moody and granddaughter Mila Moody of Charlotte; daughter, Stefanie Shandley and husband Will of Charlotte; and brother, Richard Moody and wife Patrice of Beaufort, SC.

I was deeply moved to learn today of Dwight's passing. But I am thankful he is at peace. 25 years ago, Dwight took a chance on hiring a fresh-out-of-college greenhorn who desperately wanted to pursue a career in Investments. That greenhorn is now a successful business consultant hoping to make an impact in other people's lives the way Dwight did. It is an understatement to say that I would not be where I am today if Dwight had not taken me under his wing, mentored me, and prepared me for what was to come. I will be forever grateful and he will be forever missed.

I was fortunate to know Dwight for 25 years. He was a wonderful person, leader, mentor and friend. All I can do is smile when i think of Dwight. My first meaningful interaction with Dwight was after I moved from New Jersey to Charlotte. I did not know what I was getting into. It was in the early days of FUBS, and they set me up in a supply closet (aka office) just outside of Dwight's office. I was in Charlotte a couple months and settling into the new job. One early afternoon, I got a knock on my supply closet office. It's Dwight asking me if I had anything going on. I said yes but you're the boss and I'll drop anything to help. He said great. Get your sneakers and gym clothes because we are going to play basketball the rest of the day. We played 3 on 3 the rest of the day and after a spirited game, Dwight bought us all ice cream. Post this experience, I thought to myself that this is the greatest place to work and Dwight was the most awesome leader! After 25 years, I was able to retire early primarily due to abundant opportunities afforded me by Dwight and a few other great leaders and friends. Upon my retirement, Dwight was among the first to congratulate me via text. Instead of setting back a text, I picked up the phone as I really wanted to check in and see how he was doing. We had a great conversation as we discussed nothing in particular but just life in general. I asked if he was going to make it to the annual fishing trip and he said the cancer was just beating him up. He mentioned that he will miss this year's trip but will be there in spirit. He was as many of the best fish stories included Dwight. We concluded our conversation that day with the exchange of mutual I Love You's. I feel so fortunate to have expressed my true feelings to Dwight. Dwight truly changed my life and I could not thank him enough. We lost a great one with the passing of Dwight Moody!

Dwight was one of the nicest guys you could meet... I worked for him as his landscaper since the early 1990's .. we became friends over the years and I really enjoyed our relationship . I know one thing about Dwight, He loved his children so very much, when we talked he would always mention Brett, Jason and Stephanie.... I will miss Dwight so very much and am proud to have called him friend! I praise God that he is with Jesus in heaven and look forward to seeing him again!
