I loved working with Teri back in the 'Good Old Days' of Greensboro Youth Soccer and Greensboro United Soccer! Teri helped grow those organizations into tremendously successful community youth sports organizations by showing that if you support all of the kids and the families as if they were your own, then they will return the support with loyalty and favor! A wonderful human being and a life well lived!! Very sorry for your loss, Jim!!Pete Polonsky

"Ma Barton" truly was my second mom during high school. She treated me like I was one of her own and I always felt welcome there. We even used to say my car had a gear that knew to go straight to her house. I got to visit with her one last time about 5 years ago when I was in NC and it was like time hadn't passed. I certainly will miss her and am very grateful for fun, loving memories of her. I will wear bright colors on Jan. 11 in her honor. Kim Ready

Teri, as she was fondly called around the GYS office, always had a kind smile and bubbly laugh. She loved soccer and the way that it brought people together. She had a knack for working with all types of personalities and energy levels. She helped me along in the various volunteer roles I took on through the years. Thanks for the warm memories and helping to create a place for kids to play soccer. Our family's lives were changed for the better because of you. Always, Tammy and Rick Bason
