Mason, your dad showed me how to be vulnerable, ask for support, and let others in by sharing stories. I see that wonderful trait in you. Your dad also taught me humility, leadership, and kindness. He showed me what it means to help others while always doing what's right. Jumping on trampolines and wrestling has always been something I enjoy and still do as I get older! Keep enjoying all the fun things in life, just like your dad did with you, and everyone else he met. You are amazing just like your dad! Thank you for sharing!

Inboden family, I have no words so I will choose to remember the tough, clever fun fellow Chris was. Great twinkle in his eye as if he knew something I didn't. I was amazed at his work ethic. Gone way too soon but he lived life caring about those he was willing to protect. I loved him. Mike Stanley
