Krys was a great person. Every time we went to North Carolina we made it part of are plan to have some kind of meal with her. Her smile always lit up the room. She will be missed by all who where blessed to be called her friends.

Krys was an amazing person and a huge part of the beginning of my nursing career. I met her at Olde Knox Commons where she was a one of my shift managers. I have so many great memories that I will hold dear to me as I remember her beautiful soul. My deepest condolences.
