LTC Needham graduated from the Air Force Flight Training Program, and was commissioned a Second Lieutenant in February, 1956. A short list of his passengers would include Vice Presidents Gerald Ford and Nelson Rockefeller, Secretary of State, Henry Kissinger, the Nixon family, Senator Strom Thurmond and his wife Nancy, Israel's Golda Mier, Jordan's King Hussein, and the Shah of Iran, along with many others.

LTC Needham's military awards include the Bronze Star Medal/AF Commendation Medal, Air Force Expeditionary Medal, Armed Forces Reserve Medal, Air Force Longevity Service Award, Expert Markmanship Ribbon, National Defense Service Medal/Vietnam Service Medal, Vietnam Gallantry Cross and others.

He was a proud and patriotic citizen of his country, loved his country's flag and the United State Air Force. He was a staunch defender of conservative values.

Curt was a gem of a person and one of the first friends I made on joining the CLT Hangar in the mid-'80s. He went out of his way to welcome this and other newbies with good-natured humor and gusto and was always a terrific ambassador for aviation and for our august brotherhood at QB. He will be missed. Scott, Marilyn and Family, Those we love remain with us
For love itself lives on, And cherished memories never fade
Because a loved one's gone. Those we love can never be
More than a thought apart, Far as long as there is memory,
They'll live on in the heart. Our Deepest Sympathy,

Marian Orr lit a candle in honor of Herbert.

I am Curt and Barbara's next door neighbor in Cornelius. When they moved in I was overjoyed that they were so kind and welcoming to me! They have become chosen family members and are truly wonderful people! Curt was an exceptional man- dignified, honorable, warm, interesting, accomplished and he ALWAYS made people feel appreciated and welcome. I enjoyed hearing stories about his flying adventures and all of the famous people he met. But honestly, those people should have been honored to fly with and know Curt! He was a class act and I feel privileged to have known him. I will always remember and love you CURTIE! My heart hurts that I will never see you next door again. ☐☐☐
