She loved having her nails done with matching colors for all of her outfits. She thoroughly enjoyed taking trips to the stores with her daughters and spending time with the family. She also loved to eat out at various restaurants enjoying her favorite foods where she could dress for the occasion. Marion had a cat named Ming (a black lynx who turns 18 in August) who lived with her for over 12 years and now resides with Christine and Steve. Ming will always be her sweetheart as she often called him.

Marion touched many lives with her kindness, good sense of humor and passion for life.
